### Beginning of New Session 2022-23 (Pre – Primary)

First day of school is always memorable event for every child. As children are quite excited and nervous, while coming to school and meeting new people. But our children got delighted to experience the new environment and made new friends, though they cried their heart out, at the sight of their parents leaving them all alone. However, they gradually adapted to the new environment, with the help of teachers, friends and found comfort in their new words. On this special day, they wore new uniforms, carried new bags, new water bottles and many other accessories to make their way to school, to achieve their goals.

### Special Assembly 'Baisakhi Celebration'

Baisakhi marks the beginning of new year in Punjab. It also commemorates the formation of Khalsa Panth under the leadership of Guru Gobind Singh Ji in 1699. Goddess Ganga descended on Earth on this day. Besides it Baisakhi is the beginning of the harvesting of Rabi crop by the farmers as it is a symbol of prosperity of Punjab. To celebrate this historical, cultural & religious festival MTS organized a special 'Baisakhi Celebration' with great traditional fervor and gaiety. The celebration started with expressing gratitude to the Almighty God for his divine grace. There were many lively performances of dance and music that added to the celebration of Baisakhi. Principal Dr. Sanjay Sakalani greeted all with his good wishes.

### Conditions for Happiness

“One of the first conditions of happiness is that the link between man and nature shall not be broken”. Considering the importance of it and to maintain the happiness of human being an awareness campaign by the teachers, to save mother earth was planned for the students of 1<sup>st</sup> and 2<sup>nd</sup> classes. They were shown different types of pollutants, polluting air, water and soil of the earth with the help of Digi board and many follow up questions were asked from the students to increase their curiosity about earth and its importance. The

uncountable questions raised by the students was a proof of their eagerness and it especially impressed Principal Dr. Sanjay Sakalani.
