NATURE WALK

“Look deep into nature, and then you will understand everything better....”

It's always fun to be with our green friends as they help to keep our environment clean, by purifying air. This is what we had in mind when we took our Pre-Primary students for a Nature Walk on 03.10.2022. The little kids walked in the lush green environment of Aastha Enclave. They enjoyed playing in the garden and were fascinated with the chirping birds. The children were shown and made to feel the texture and observe the varying shapes of different types of plants and flowers.

The Motherites thoroughly enjoyed the open-air outing in the lap of nature. A power point presentation on Topic- beautiful landscapes of the world was shown to the students of Grade -I & II. Students grasped the knowledge of different landscape, waterfalls through their PPT. These activities were enjoyable as well as a good learning experience for them.
