DT 13/9/2023

**Part-II**

(To be filled by S.D.E. of P.W.D. B&R Department)

I have visited the above mentioned school on 13/9/2023 and have visually inspected it from all angles of safety and I found it fit for normal use as school building.

In case any addition / alteration of expansion and modification of this building is to be carried out the same be carried out under the supervision of a technically specified Engineer and this certificate may again be obtained after the completion of work from the undersigned.

In case the building is affected by flood or if there is settlement of walls / foundations or caves of roof etc. immediately inspection of the undersigned be arranged to check the stability and safety of the building.

This building can be safely occupied for normal use up to 31/3/2024 (indicate year up to which it can be used).

*Amr Singh*  
Sub Divisional Engineer  
Sub Divisional Engineer,
