In a resounding achievement, Mother Teacher School in Barnala has made a mark on the global stage by securing an impressive tally of medals in the International Hindi Olympiad. The school's pride swells as thirteen students have successfully cleared the second level, while an astounding thirty-seven students have triumphed in the first level.

The school's commitment to excellence is exemplified by the outstanding performance of its students, who clinched seven gold, seven silver, and eleven bronze medals. This remarkable feat not only underscores the proficiency of the students but also reflects the dedication of the educators at Mother Teacher School.

The International Hindi Olympiad is a prestigious platform that tests linguistic prowess and cultural understanding. Mother Teacher School's success in this competition highlights its commitment to nurturing well-rounded individuals with a strong foundation in Hindi language and culture.

The school management extends its heartfelt congratulations to the students and teachers who played a pivotal role in achieving this commendable success. This accomplishment not only elevates the status of Mother Teacher School but also showcases the potential and talent of the students in the realm of Hindi language studies.

**INTER CLASS MATH QUIZ:
3rd to 6th STD.**

The primary objective of the Inter-Class Math Quiz held at Mother Teacher School was to foster a competitive yet engaging environment to enhance students' mathematical knowledge and skills. Students from III - VI participated in the quiz, showcasing their mathematical prowess. Each class was represented by a team of enthusiastic participants. The quiz comprised multiple rounds, including general math questions, visual round, and a

rapid-fire round. This diverse format aimed to test various aspects of mathematical understanding. An experienced moderator facilitated the event, maintaining a balance between fun and academic rigor. The quizmaster skilfully guided participants through each round, ensuring a smooth and lively experience. The questions were designed to challenge participants, encouraging critical thinking and application of mathematical concepts. The quiz garnered active participation from both participants and the audience. Spectators were encouraged to solve questions along with the participants, creating an inclusive atmosphere. It proved to be a successful and enriching experience. It not only showcased the mathematical aptitude of the students but also promoted a positive academic culture within the school. The event's success encourages the school to continue organizing such engaging and educational activities in the future.

Social Science Quiz: 7th – 8th STD.

A well-designed quiz serves as both entertainment and a medium for enrichment and information. Embracing this belief, the Social Science Department of The Mother Teacher School organized an enthralling Inter Class Social Science Quiz, on 27 January 2024. The seventh and eighth grade students were given the opportunity to witness this engaging and thrilling quizzing session.

Teachers provided students with a platform to showcase their knowledge and passion for social science. The quiz not only tested their understanding of various topics but also kindled a desire for continuous learning and exploration.

Quizzing plays a significant role in fostering

critical thinking, problem-solving, and research skills among students.

At the end, teachers congratulated all the winners.
