

JULY, 2023

MTS MONTHLY SCHOOL NEWSPAPER

BARNALA, PUNJAB

'School Bells Are Ringing Loud And Clear, Vacations Are Over School Is Here.'

BACK TO SCHOOL AFTER SUMMER VACATIONS

JULY 3, 2023

Summer vacations ended and students eagerly returned to school, bringing renewed energy and excitement. The school environment buzzed with chatter and laughter as friendships rekindle. Teachers and staff of MTS welcomed the students warmly, preparing them for an enriching academic year ahead.

The campus abounded with new possibilities and learning adventures. As the bell rang, the classrooms filled with anticipation, and the journey of knowledge and growth resumes for another fruitful year.

"Phonics paves the way to reading success!"

PHONICS DRILL CLASS ACTIVITY

(Difference between Sounds)
5th July, 2023

on 5th July 2023, a phonic drill activity was conducted at MTS Kindergarten, engaging kindergarten students in developing their phonetic skills. The activity involved interactive games, songs, and flashcards to reinforce letter-

sound recognition. Students eagerly participated, demonstrating improved pronunciation and word decoding abilities.

The lively session fostered a positive learning environment, promoting early literacy skills. Principal recited the words of Helen Keller **"Alone, we can do so little; together, we can do so much."**

School demonstrated its commitment to the overall well-being and academic success of its students.

'Learning To Spell Is Like Unlocking A Treasure Trove Of Knowledge'

ENGLISH SPELL BEE COMPETITION

CLASS I & II

JULY 5, 2023

"Spelling brilliance on display at the English Spell Bee competition for first and second-grade students held at MTS

on July 5th, 2023. The young wordsmiths showcased remarkable linguistic prowess, leaving the audience spellbound. The competition fostered a love for language and enhanced vocabulary skills among the participants.

As the Principal Daljeet Singh rightly said, *"nurturing the art of spelling empowers young minds to communicate effectively and conquer future challenges with confidence."*

"Keep taking time for yourself until you are you again".

KNOW AND BOOST YOUR DISTINCT FORTE

BY: SURINDER KUKKAR
8th JULY, 2023

A Teacher training session was conducted by MTS, where Mr. Surinder Kukkar an eminent passionpreneur conducted a session on 'know and boost your distinct forte'. During this session he shared his presentation and added a spark of his personal experiences during his motivating discourse. All the teachers were spell bound and felt that today is the right time to change their attitude towards life and come out of their comfort zone to recognize their distinct forte. The interactive session was really marvelous as all teachers

participated in it enthusiastically. During the feedback session many life changing

things came to forefront. The School Principal appreciated the valuable

contribution of Mr. Surinder Kukkar for the cause of education and motivated MTS teachers to work for better future.

"Invest In Knowledge, And You Invest In Your Future."

SKILL MODULE SESSION -2 UNDER

NEP: FINANCIAL LITERACY

CLASS VI, VII & VIII

10 TO 12 JULY, 2023

On 10th July 2023, a Skill Module Session - 2 on Financial Literacy was conducted for Class VI and VII class students at MTS under the

NEP. The session aimed to instill essential financial skills among young minds. Students were taught about budgeting, saving, and the importance of responsible spending. The interactive session encouraged active participation and fostered a sense of financial responsibility.

Principal said that *"It's an investment in knowledge that will empower these students to make informed decisions for a prosperous future"*.

**"WAR OF WORDS, WHERE KIND HEARTS
Rhyme, In Poetic Chimes, The Children
Shine."**

**ENGLISH POETIC WAR VERBAL
CHIMES (RECITATION OF A POEM)
CLASS- KINDERGARTEN, I & II
12TH JULY, 2023**

On 12th July 2023, MTS witnessed a delightful kindergarten recital, as young wordsmiths battled in eloquent verse. Innocence and creativity clashed, forging bonds in metaphorical fire. Amidst giggles and applause, they proved

poetry knows no age. In this enchanting affair, young souls embraced language's power.

As William Wordsworth said, 'Child is the father of the man,' and indeed, a new generation of poets emerged that day."

**"Life's A Wave, Catch It While You Can!"
BEACH PARTY SUMMER & SPLASH
CLASS – KINDERGARTEN, I & II
JULY 12&19, 2023**

"Beach Party Summer & Splash organized for I & II class rocked the shores of MTS on July 12, 2023! The event saw a tidal wave of excitement as beach enthusiasts danced to the beats and splashed in the sun. With electrifying performances, thrilling water sports, and mouthwatering treats, it was an unforgettable celebration of summer. Attendees reveled in the ultimate beach experience, creating memories that will linger like sand between their toes."

"Passing the exam is a simple two-step process: believe in yourself and back it up with hard work"

**RECOGNITION BY PRIME MINISTER
SHRI NARENDRA MODI
14th JULY, 2023**

As it is well known, Shri Narendra Modi, our esteemed Prime Minister, is a wonderful visionary who has always shown a special concern for all of the

students of India. He hosted an interactive session with the board class students in order to inspire them all before their final exams. Before the exam, MTS students had a wonderful opportunity to interact with a live person who was available to answer all of their exam-related questions in the well-known episode "Pariksha Pe Charcha 2023," where he provided many useful

tips for passing the exams without stress and anxiety. Following the session, the students had a very helpful discussion on several exam-related topics. All the students who took their participation seriously had their names submitted were rewarded with a participation certificate.

**"ਗੁਆਚੇ ਇੰਜ ਕੇ ਭੁੱਲੇ ਔਸੀ ਰੰਗਾਂ ਦੇ ਨਾਂ ਤੀਕਰ ਕਦੇ ਇਹ
ਸੋਚਦੇ ਸਾਂ ਮਹਿਕ ਦਾ ਵੀ ਨਾਮ ਰੱਖਾਂਗੇ"**

"The team that keeps winning is not the most talented but the most hard working"

The Future of E-sports

(By-Devan Arora, IX Determination)

As the digital age continues to involve, one industry that has undeniably taken Centre stage is e-sports. The network of gaming and competitive sports has captured the hearts of millions and its high rise shows no sign of slowing down. The future of e-sports appears to be journey towards limitless possibilities.

1. Technological Advancements:

The future of e-sports hinges on technological progress. Advancements in virtual reality (VR) and augmented reality (AR) will revolutionize the gaming experience, Immersing players and viewers alike into astonishingly realistic digital realms. Gamers can expect the interact with games in unpredicted ways, further bridging between the real and the virtual world. The integration of Artificial intelligence (AI) into games will create dynamic, personalized experiences, adapting to each player's unique style and preferences.

2. Income

The e-sports players earn by playing games and by winning the tournaments. The e-sports players also get sponsorship from many apps and companies and

from developers. Its income depends on his skills and mind-setup. A good skilled person can earn more.

3. Education and Career

According to me, instead of studies e-sports is the best way of earning money and being popular. No matter how rich you are if your skills are good you can do anything in the world. E-sports also need skills

4. Infrastructure and facilities

As the e-sports continue to grow, the demand for the state of the art facilities and infrastructure will intensify. E-sports arenas and stadiums will spring in many cities, offering fans an electrifying and alive experience to traditional sports event. These modern venues will boost large screens, sound systems, gaming equipments

"Education is not the learning of facts it's rather the training of the mind to think" - Albert Einstein

THEMATIC EXPLORATION

(By: Swaranjit Sharma)

Thematic exploration plays a pivotal role in shaping students' educational journey, igniting their curiosity and fostering a passion for learning. By delving into a theme across various subjects and disciplines, students gain a deeper understanding of interconnectedness in the world.

Thematic exploration encourages critical thinking and problem-solving abilities. It enables students to connect the dots between seemingly unrelated topics, promoting a holistic approach to knowledge acquisition. Through this method, they develop a broader perspective, honing their creativity and adaptability.

Moreover, thematic exploration enhances retention and engagement. By relating lessons to real-life contexts, students grasp abstract concepts more effectively and are motivated to learn actively.

In conclusion, thematic exploration empowers students to become well-rounded individuals, equipped with essential skills to thrive in an ever-changing world. It fosters a sense of purpose and curiosity, transforming education from a mere accumulation of facts into a transformative and enlightening journey.
