

**"THERE IS NO JOY WITHOUT GRATITUDE"  
LET'S CELEBRATE WORKERS' DAY  
1ST MAY 2023**

MTS celebrated Labour Day on Monday, 1st May 2023. Students expressed their gratitude to the support staff for their services, love and care that they provide throughout the year. Students made lovely cards and handed over these to their nannies, lady guards, bus drivers, conductors etc. as a gesture of thanks. MTS always strives to instill great values and constantly iterates to uphold these values of humanity and dignity of labor in students. The School Management expressed its gratitude by giving attractive gifts to the housekeeping staff and the support staff. The Principal, Mr. Daljeet Singh thanked them for their service and encouraged everyone to teach their children to be grateful and respectful to those who help them every day.

**"WORM-FREE CHILDREN, HEALTHY CHILDREN"  
NATIONAL DEWORMING DAY  
1ST MAY 2023  
CLASS – KINDERGARTEN-XII**

On 1st May, 2023 National Deworming Day was celebrated with great enthusiasm at Mother Teacher School for students from class Kindergarten to 12th. The objective of this event was to raise awareness about the importance of deworming and to ensure the well-being of the students' albendazole doses were administered to all the students to help eliminate any potential parasitic infection. The event commenced with an informative session where the students were educated about the significance of deworming and its positive impact on their health. The doses of albendazole were then distributed, ensuring the proper dosage for each student. The initiative aimed at promoting good health practices and preventing the spread of parasitic infections. By actively participating in National Deworming Day, Mother Teacher School demonstrated its commitment to the overall well-being and academic success of its students.

BRAND IMAGE AND REINFORCES  
YOUR "CORE MESSAGE"  
CBSE EXPRESSION SERIES  
2ND MAY 2023  
CLASS -III - XII 1ST MAY 2023**

CBSE first Expression Series for the 2023-24 academic year, with the theme "Skill Development in India: From Local to Global," was conducted on May 2 for classes III-XII. Students of class III- V wrote paragraph on famous Indian personalities, grade VI to VIII drafted essay and drew painting on "Kabaddi Se Jugaad" and the students of secondary & Senior Secondary classes created beautiful poems/ essay/ paintings on the topic " Globalization and Need for Globally – relevant skills". All the scholars participated with great enthusiasm. According to the school Principal, Daljeet Singh such activities provide a forum for students to practice expressing their thoughts and opinions in a variety of ways and educate them about various skills that are emerging around the globe.

**"BROADEN YOUR HORIZONES WITH  
NEW WORDS"  
LANGUAGE FUN ACTIVITY  
3RD MAY, 2023  
CLASS – NURSERY-II**

Games offer a fun-filled, relaxed environment to the children where they can practice using new words and are free to express themselves. It also helps children to be more socially confident and forge friendships. On 3rd May 2023, Mother Teacher School organized a fun activity of English

language for the students of Nursery to II class. The aim of the activity was to enhance the students' vocabulary, pronunciation and communication skills in a fun and interactive way. Students showed excellent creativity and confidence in using new words and expressions. The activity was a great success and the students enjoyed learning English language happily. According to the school Principal Mr. Daljeet Singh, participating in recreational activities is an effective way to develop language and communication skills.

**"IF THERE IS NO STRUGGLE, THERE  
IS NO PROGRESS."  
MARVELOUS PERFORMANCE IN  
COMPETITIVE EXAMS  
4th May, 2023**

Adding another feather in the cap of Mother Teacher School, Motherites achieved marvelous results in International Social Science Olympiad (ISSO). It is a prestigious competition that tests the students' knowledge and skills in social studies subjects such as history, geography, civics and economics. Keeping with the aforesaid, Mother Teacher School acknowledges the efforts of our young Motherites who have made us immensely proud through their consistent performance in this Exam. The Motherites competed with thousands of students from different countries and regions and won medals of distinction for their outstanding performance. Scholar Pragati of class 5, Suhavi Surya of class 9, Anvee Arora of class 9 and Lukeshpreet Singh of class 9 received gold medal of distinction. The school management and the teachers congratulated the students for their hard work and dedication. The students expressed their gratitude to their teachers and parents for their guidance and support. The school also received a certificate of appreciation from the ISSO organizers for its participation and achievement. The school is proud of its students. Best Wishes to the winners!!!

**"GET QUIZZICAL!" INTER SCHOOL QUIZ  
COMPETITION UNDER HUB OF LEARNING  
TOPIC: G-20  
CLASS -IX & X**

On 4th May, under the 'Hub of Learning' a collaborative initiative, Mother Teacher School Barnala hosted a quiz competition on G-20, a CBSE's initiative to promote collaboration and sharing among schools. This competition's theme was G-20 Presidency and Indian culture, heritage, and handicrafts, global economy, trade, environment and health. Mother Teacher School along with BGS School Mahal Kalan, and Stanford International School participated in this competition. Each school had two participants from class 9 and 10 (one boy and one girl). This competition consisted of four rounds: the first round was questionnaire round, the second round was on visual round, the third round was an audio round, and the fourth round was a rapid-fire round in which many questions were posed in one minute. In this competition, Mother Teacher School's Nandika Sidhi of class IX Newton & Shubhnoor Singh of X Inspiration ranked 1st, followed by Stanford International School with Second position and BGS, School Mahal Kalan with third position. The winners received medals and certificates for their achievement. This competition was overseen by Senior Coordinator Mr. Dikshil Verma & subject teachers Mrs. Vishal Dharmi, Mrs. Ruhi Jindal, and Mr. Lovdeep Singh. On this occasion, Mr. Daljeet Singh, the Principal of the school, appreciated students' enthusiasm and knowledge and said such competitions enhance their confidence and morale. The school Management congratulated them for their excellent performance and encouraged them to continue their learning journey.

**"LEARN TO EXPRESS INSIDE" HINDI  
LANGUAGE ACTIVITY  
5TH MAY, 2023  
CLASS -I & II**

On 5th May, a Hindi language activity on the topic "Matra Parichay" was organised for the students of 1st & II class. The aim of the activity was to help the students learn and practice the use of matras in Hindi words and sentences. The students participated in various games and activities such as matching words, filling in the blanks, making sentences and reciting poems. They enjoyed learning Hindi language in a fun and interactive way. The activity also enhanced their reading, writing and speaking skills in Hindi. In the words of worthy Principal Mr. Daljeet Singh introducing them to the language at an early age helps to build their knowledge.

**"MUN FOR ALL, ALL FOR MUN"  
MOCK SESSION OF MTMUN  
MAY 5, 2023  
AGENDA: REVIEWING ARTICLE 370  
OF INDIAN CONSTITUTION**

On 5th May, Mother Teacher School organized third session of MTMUN for the member student of Mother Teacher Model United Nations (MTMUN). The session was conducted by MTMUN Director

Ms. Avnee Arora and supervised by MTMUN Mentor Mrs. Kamlesh Sharma. The session aimed at revising Article 370 of Indian Constitution. The session was interactive and engaging, as the students were involved in various activities such as quizzes, simulations, discussions and presentations. The students learned a lot from the session and showed interest and enthusiasm in MUN. The school appreciated the efforts of the MTMUN club members and encouraged the students to participate in MUN conferences and represent the school.

**"LEARN NATURALLY, WRITE  
NATURALLY" ENGLISH CALLIGRAPHY  
MAY 6, 2023  
CLASS -III -V**

On 6th May, Mother Teacher School organized an English calligraphy activity for the students from III to V class. The activity was aimed of improving the students' writing skills and encouraging them to write in different styles and fonts. The activity was conducted by the English teachers, who guided the students on how to write English alphabet and words in various ways. The students practiced writing in cursive, print, script and decorative fonts. They also learned about the importance of neatness, legibility and creativity in writing. They used different ways to make their writing more attractive and appealing. The activity was fun and enjoyable, as the students expressed their individuality and personality through their writing. The activity also enhanced their confidence and interest in writing. School Principal Daljeet Singh appreciated the students for their participation and performance.

**"DEVELOP THE MOTHER TONGUE TO  
DEVELOP THE NATION" HINDI  
DECLAMATION  
MAY 6, 2023  
CLASS -VI**

On 6th May, Mother Teacher School organized a Hindi declamation activity for the students of 6th class. The activity was aimed at developing the students' speech and presentation skills and encouraging them to speak on various topics in Hindi language. The activity was conducted by the Hindi teachers, who gave the students different topics based on technology to prepare and deliver a speech on. The students delivered their speeches confidently in front of the judges. They expressed their views and opinions with clarity, confidence and eloquence. This activity helped them to improve their Hindi communication skills. In the words of Honorable Principal Mr. Daljeet Singh, this activity would enhance their knowledge and boost their confidence.

**"EK BHARAT SHRESHTH BHARAT  
PROGRAMME" AN ART INTEGRATED  
ACTIVITY TOPIC: STORY ENACTMENT  
WITH MASK  
MAY 6, 2023  
CLASS- I & II**

For the little stars of grade I and II, Mother Teacher School organized an art-integrated English activity on the topic of story enactment with masks on May 6. This activity conducted under Ek Bharat Shreshth Bharat Programme where these tiny tots enthusiastically participated in an activity of creating masks of various animals. The activity

aimed to foster creativity, cultural exchange, and storytelling skills among the young learners. The students meticulously crafted vibrant masks representing different animals, showcasing their artistic talents. Additionally, they were encouraged to recite stories associated with the animals they portrayed. The activity not only promoted artistic expression but also provided a platform for cultural appreciation and knowledge sharing among them.

**\*\*SUBSCRIPTION OF THE TRIBUNE  
STUDENT EDITION\*\*  
MAY 6, 2023  
CLASS -VI –XII**

Mother Teacher School is a CBSE affiliated senior secondary school. It always offers quality education and holistic development to all its students. The school has recently subscribed to the Student Edition of The Tribune, a leading English daily newspaper that covers news from India and around the world. 'The Student Edition of The Tribune' is specially designed for the young readers. It features news, articles, quizzes, puzzles, cartoons and other educational and entertaining content that cater to the interests and needs. It helps the students to improve their reading and writing skills in English, provides them with current affairs and general knowledge that are useful for their academic and competitive exams, enhances their creativity and critical thinking skills by engaging them in various activities and challenges, exposes them to different cultures, perspectives and opinions from around the world, entertains them with fun and humorous content that makes learning enjoyable. The subscription of the student edition of The Tribune is a great opportunity for the students of MTS to enrich their knowledge and skills in a fun and interactive way. The school encourages all the students to make use of this valuable resource and stay updated and informed about the world.

**AIM HIGH, DREAM BIG. A WORKSHOP  
ON LIFE SKILLS,  
MAY 8, 2023  
CLASS- IX –XII**

Students' success in school and in later life depends on their acquisition of transferable skills. Life skills for the 21st century include adaptability, initiative, social skills, efficiency, and the ability to lead. The capacity to modify one's behavior in response to novel circumstances is essential in today's competitive environment. Students must have the ability to rapidly assess their surroundings and make appropriate modifications to grab all the opportunities. On May 8, 2023 a workshop was conducted for students of grades IX – XII at MTS to raise awareness of important life skills. In order to enlighten their pupils about the relevance of soft skills in the modern world, Mrs. Homika and Ms. Kirli Sharma presented an engaging power point presentation to make the students aware about these life skills. This workshop on life skills was focusing on empowering individuals with essential tools for personal and professional growth. The workshop covered various aspects of life skills, including communication, decision-making, problem-solving, and time management. The workshop aimed to equip attendees with the ability to navigate challenges effectively, foster healthy relationships, and achieve their goals. Feedback from participants highlighted the workshop's effectiveness in boosting self-confidence, promoting resilience, and improving overall well-being. In view of honorable Principal Daljeet Singh this event successfully enabled the students to develop crucial life skills, empowering them to thrive in both personal and professional spheres.

**"APPRECIATION IS A GREAT MOTIVATION"  
STAR STUDENTS OF THE MONTH  
MAY 9 TO 11  
CLASS – KINDERGARTEN TO XII**

The month of May in Mother Teacher School witnessed exceptional achievements in both discipline and academics, displayed by our star scholars. These exemplary students of class I to XII have showcased unparalleled dedication, perseverance, and excellence throughout the month of April. Their commitment to maintaining discipline has been commendable, serving as an inspiration to their peers. In the realm of academics, their outstanding performance has set new benchmarks, reflecting their consistent hard work and intellectual prowess. The school community proudly recognizes their achievements and appreciates their commitment to personal growth and academic excellence. In the words of Principal Daljeet SINGH these star scholars serve as role models for their fellow students, motivating them to strive for success in all aspects of their educational journey. Congratulations to all the students!

**"A PERSON EITHER DISCIPLINES HIS  
FINANCES OR HIS FINANCES DISCIPLINES  
HIM" FINANCIAL LITERACY SESSION  
9TH TO 11TH MAY, 2023  
CLASS –VI -VIII**

Promoting skill education in schools is a major focus of the National Education Policy-2020. This policy mandates the gradual integration of vocational education programmes into mainstream education in all educational institutions in order to address the social status hierarchy associated with vocational education. Mother Teacher School has started a Financial Literacy Skill Module for three days May 9 to May 11 for classes VI to VIII in order to start occupational exposure at a young age in middle school. The first session of the same was conducted by Mr. Daljeet Singh, the Principal of the school. This session, raised students' awareness about the topic. Students got information about cooperation, barter system, and working of a firm.

**"THE BEST TECH, BEST  
FUTURE" NATIONAL TECHNOLOGY  
WEEK CELEBRATION  
MAY 11, 2023  
CLASS –V**

The Indian government has proclaimed May 11 as National Technology Day to recognize India's scientific prowess throughout history. As a part of the celebration, the school showed a presentation to the students of class-V on the importance of technology in various parts of human life with an aim to foster an interest in science and encourage them to pursue it further. It provided them with excellent opportunities to create ideas with precision and encouraging young minds towards science and technology. It was aimed to motivate, inspire and engage them in the innovative discoveries and achievements of science and technology.

**"WE ARE CHANGING THE WORLD  
WITH TECHNOLOGY"- BILL GATES.  
NATIONAL TECHNOLOGY WEEK  
CELEBRATION  
MAY 9 TO 14  
CLASS – IX - XII**

Technology has become an integral part of our lives, benefiting us in a variety of ways. At Mother Teacher School, we believe that technology advances every year and it never stops evolving and what we consider as advancement today will certainly be superseded tomorrow. On the theme of the National Technology week 2023 'School to Startups-Igniting Young Minds to Innovate,' Mother Teacher School celebrated Technology Week with great enthusiasm and Zeal on different kinds of activities like quiz, essay writing & painting competition assembling a basic electric circuit were organized for students of classes IX to XII. This activity was aimed at introducing students to the fundamental concepts of electricity and circuits. Familiarize them with the basic components of an electric circuit, develop students' practical skills in assembling and troubleshooting circuits. The Quiz competition was designed to test the knowledge of the students about various aspects of technology, including innovations, advancements, and latest trends. The Essay competition aimed to provide students with an opportunity to express their ideas on the role of technology in today's world. The Painting competition encouraged students to explore their creativity and imagination while highlighting the significance of technology. The event was a huge success, with students actively participating in all competitions. The winners were awarded prizes and certificates, and the event was concluded with the appreciation of the school Principal, Daljeet Singh, emphasizing the importance of technology in education.

**"THE INFLUENCE OF A MOTHER IN THE LIVES OF HER CHILDREN IS BEYOND CALCULATION." MOTHER'S DAY CELEBRATION  
10-12TH MAY, 2023  
CLASS – KINDERGARTEN to X**

Appreciating the role of mothers and recognizing their sacrifices, different activities were organized at Mother Teacher School from 10th to 12th May 2023 for classes Kindergarten to X. These activities proved to be a wonderful initiative to celebrate Mother's Day. They provided a platform for all the motherites to showcase their creativity while expressing their love for their mothers through personalized badges and colorful cards made by Kindergarten to II class students. Whereas under the guidance of dedicated teachers, students of III to VI class enthusiastically participated in the photo frame and collage making activity. The students were encouraged to unleash their creativity and design unique frames and collage to hold treasured memories. The students of VII to X class made cards and wrote messages on them for their mothers, expressing their feelings and emotions. They shared their photos with their mothers. The activity was creative and emotional. It enhanced their artistic and writing skills and to strengthen their bond with their mothers. According to the esteemed Principal of the school Mr. Daljeet Singh, the event successfully strengthened the bond between students and their mothers, fostering a sense of appreciation and gratitude.

**"EK BHARAT SHRESHTHA BHARAT"  
AN ART INTEGRATED ACTIVITY  
A QUIZ COMPETITION  
13TH MAY, 2023  
CLASS – IX**

Under Ek Bharat Shreshtha Bharat Programme, an art integrated activity was conducted in MTS in which students of class 9th participated enthusiastically. Art Integrated Learning is a teaching-learning model which is based on learning 'through the arts' and 'with the arts' it is a process where art becomes the medium of teaching-learning, a key to understanding concepts within any subject of the curriculum. Keeping this in mind a Quiz on monuments, food and festival of Odisha was conducted in three phases by Mrs. Ruhi Jindal, Social Science teacher under the guidance of Senior Coordinator Mr. Dikshit Verma and Mrs. Kamlesh Sharma. In first round different monuments were shown whereas second round was question round. Third round was rapid fire round. 9th Newton section got victorious in this competition. All children participated in this competition with full enthusiasm. School Principal Mr. Daljeet Singh said that Art Integrated Activity is a very good project started by CBSE where all the children of all the states can get good information about the other state. He also congratulated winner team on their success.

**"A PERFECT EXPERIENCE WITH EXCELLENT LEARNING SKILLS".  
A SPECIAL FLUENCY & CONFIDENCE BOOSTER MASTER CLASS BY MS. SAVLEEN KAUR, THE RENOWNED PUBLIC SPEAKER  
CLASS – KINDERGARTEN TO 12TH**

On May 13th, 2023 a remarkable virtual Master class on Fluency and Confidence Booster was conducted at Mother Teacher School by the renowned English language coach, Savleen Kaur, certified from London, with 10 years of experience. The event aimed to enhance the speaking skills and to boost confidence levels of students from 1st to 12th grade. With a diverse range of engaging activities and interactive sessions, Savleen Kaur captivated the young minds and encouraged them to express themselves with clarity and conviction. Students actively participated and showcased their newfound skills, leaving a lasting impact on their peers and teachers. Her expertise and knowledge were truly impressive, learning about fluency ladder was exciting and knowledgeable, positive affirmatives are always confidence boosters, celebrating past achievements, energy, learning about improving speaking skills are really valuable. Our students were really excited and thrilled to learn about grammar starters, SPT, express to impress and they took away many great ideas and inspiration from her.

According to the Principal Daljeet Singh this transformative experience will undoubtedly contribute to the students' personal and academic growth. The event was a resounding success. MTS hopes to have the privilege of hosting such events in the future.

**"NEXT TO EXCELLENCE IS THE APPRECIATION OF IT."- WILLIAM MAKEPEACE THACKERY TEACHERS' APPRECIATION WEEK CELEBRATION  
MAY 20, 2023**

Teachers play a crucial role in shaping the future of our society. They dedicate their time and expertise to educate and inspire the next generation. To acknowledge their significant contributions, Principal Daljeet Singh of Mother Teacher School, Barnala, organized a remarkable Teachers Appreciation Week. The event aimed to honour and recognize the teachers for their unwavering commitment and dedication to their duties. Principal Daljeet Singh delivered a heartfelt speech, expressing gratitude towards the teachers and highlighting their immense impact on students' lives. Appreciation Week was a resounding success. This event provided an opportunity for the school community to express their gratitude and appreciation for the dedicated teachers who selflessly impart knowledge and shape the future of their students. Principal Daljeet Singh's initiative not only honored and appreciated by the teachers but also fostered a culture of appreciation and collaboration within the school community.

**"IF SOMETHING STANDS BETWEEN YOU AND YOUR SUCCESS MOVE IT....." EXTRAORDINAIRE SUCCESS IN SPORTS**

We are delighted to share the outstanding achievement of our talented student Karanpreet Singh, a student of X Victory at Mother Teacher Preparatory School Barnala, who emerged victorious in the football competition in junior age group football competition held at DAV Sports complex, Amritsar. The event, organized by the Youth Games & Sports Association India from 25th to 27th May, witnessed intense competition among talented young players across the region. Karanpreet's exceptional skills and determination propelled him to secure the gold medal, showcasing his immense talent and dedication to the sport. As a result of this remarkable achievement, he is selected for a trial at an upcoming international football competition to be held in Nepal. This opportunity not only recognizes his capabilities but also serves as a stepping stone towards realizing his dreams in the world of football. Karanpreet's triumph is a testament to his hard work, perseverance, and the unwavering support of his school and coaches. The School Management extended their heartfelt congratulations to Karanpreet Singh and wished him the best of luck in his upcoming trial and future endeavors in the world of football. Our honorable Principal Mr. Daljeet Singh, also felt immense proud of his accomplishments and wished his continued success in his future endeavors. Once again, congratulations to Karanpreet Singh!

**"CONNECTING HOME AND SCHOOL MAKES US A GREAT COMMUNITY OF LEARNERS" A PARENT TEACHER MEETING  
MAY 27 TO 31, 2023  
CLASS- NURSERY – XII**

A Parent-teacher meeting for Nursery to XII class was held at M.T.S. from 27th to 31st May, 2023. These meetings aimed to foster better communication between parents and teachers and discuss the progress and development of the children. Parents were updated about their child's academic performance, behavior, and overall growth. The teachers emphasized the importance of parental involvement in their child's education and encouraged them to support and engage with their children at home. Overall, the parent-teacher meetings proved to be informative and engaging for all the involved parties. According to the school Principal, Mr. Daljeet Singh, the PTM fostered a collaborative approach towards education, ensuring the holistic growth of each student. By nurturing strong parent-teacher relationships, Mother Teacher School continues to provide a supportive learning environment for its students.

**"#GETVAX TO CELEBRATE A HEALTHIER FUTURE". MTS VACCINATION DRIVE  
26TH MAY, 2023  
CLASS- NURSERY – XI**

**"WHERE STRENGTH MEETS PASSION"  
A SEMINAR ON DISTINCT FORTE  
MAY 19, 2023  
CLASS – IX – XII**

On 19th May 2023, MTS organized a seminar on "Distinct Forte" for students of classes 9th to 12th conducted by school Principal Daljeet Singh. He emphasized the significance of recognizing and developing one's distinct forte. He encouraged students to actively participate and make the most of the opportunities presented during the seminar. He delivered an insightful keynote speech, highlighting the importance of self-awareness and embracing one's unique talents. He emphasized that each student possesses their own set of strengths and abilities, which, when honed and nurtured, can lead to personal and professional success. The objective of the seminar was to help students identify their unique strengths and talents, understand the importance of nurturing their individual abilities, and explore various opportunities to excel in their chosen fields. The seminar aimed to foster a culture of individuality and excellence within the student community. It provided them with the tools and resources needed to identify and harness their strengths, enabling them to make informed decisions about their academic and career paths.

Overall the seminar on "Distinct Forte" provided a platform for self-discovery, career exploration, and skill development. Students gained a deeper understanding of their unique talents, developed self-confidence, and felt inspired to pursue their passions. By organizing such seminars, Mother Teacher School and Principal Daljeet Singh have taken a significant step toward empowering students to recognize and nurture their distinct forte, fostering a generation of confident and successful individuals.

**"IT'S YOUR DAY, MAKE IT WORTH  
REMEMBERING" BIRTHDAY  
CELEBRATION A VISIT TO  
GAUSHALA  
MAY 20, 2023  
CLASS – NURSERY TO II**

On the occasion of birthday celebration of the tiny tots of I and II class on 20th May, an enchanting visit to the Gaushala was organized. The students, along with their teachers, embarked on an educational and enjoyable journey. The Gaushala, located on the outskirts of the city, housed numerous cows and calves. The children had an opportunity to learn about the importance of cows in our culture and the significance of cow protection. They were educated about various breeds of cows, their diet, and how they contribute to the ecosystem. The students enthusiastically participated in feeding and caring for the cows, experiencing firsthand the joy of giving. The visit left a lasting impression on the young minds, instilling compassion, and fostering a sense of responsibility towards animals. It was a remarkable birthday celebration that combined fun, education, and empathy.

**"LET THY SPEECH BE BETTER THAN  
SILENCE, OR BE SILENT."  
INDIA'S FIRST SPEAKER EXCHANGE  
PROGRAMME BY GLOBAL EXPRESS  
T.V. IN MOTHER TEACHER SCHOOL,  
BARNALA  
MAY 20, 2023**

India's educational landscape witnessed a significant milestone with the commencement of the country's first-ever Speaker Exchange Programme, collaborating with the International House of Speakers, one of the most influential departments of IIT (International Institute of Influence), and International Life Skills technologies Pvt. Limited, held at Mother Teacher School on May 20, 2023. Renowned educationist Shama Hussain, founder and Global Chief Executive Officer and the visionary leader led this ground breaking initiative and orchestrated the program's seamless execution and ensured the presence of eminent speakers from diverse educational backgrounds. The programme focused on the critical topic of "Humanization of Education." It was broadcasted live at 5:30 pm on Global Express TV. This programme aimed to bring together experts, educators, and students to foster a deeper understanding of the concept of humanizing education. The event commenced with an official inauguration ceremony, graced by esteemed guests, dignitaries, and educators. Dr. Shama Hussain delivered the keynote address, emphasizing the importance of humanization in education. Five students of Mother Teacher School Ms. Amrit Kaur, Ms. Avnee Arora, Ms. Puneet Kaur, Ms. Tanveer kaur participated in this program as speakers whereas Mr. Shubhkarman participated as contestant in power round. All of them presented their views with great zeal and confidence and gained invaluable experience from the evaluators who provide them with feedback. At the end Tanveer Kaur was complimented with first position, and Avnee Arora was awarded with second position. School's esteemed Management Members and Principal, Daljeet Singh congratulated the winners and their parents and wished that MTS would continue to implement such programs in the future as such programmes enhance the knowledge and boost the confidence of the students and successfully facilitate knowledge sharing, inspire educators, and empower students, ultimately contributing to the humanization and transformation of education practices.

**"DON'T GET MAD LEARN TO ADD"  
ADDITION & NUMBER LINE MATHS  
ACTIVITY  
MAY 16, 2023  
CLASS – I & II**

On 16th May Math's activity was conducted for the students of Class I and II at Mother Teacher School, focusing on Addition and Number Line. The activity aimed to make the learning experience enjoyable and interactive for the young learners. The students were divided into small groups and given colorful number cards and a large number line drawn on the floor. The activity involved solving addition problems by physically placing the number cards on the number line. The students enthusiastically participated, engaging in hands-on learning and developing their number sense and addition skills. The activity not only enhanced their mathematical abilities but also fostered teamwork and collaboration among the students. It was an engaging and effective way to make learning mathematics enjoyable for the young learners.

All children participated in this competition with full enthusiasm. School Principal Mr. Daleet Singh said that Art Integrated Activity is a very good project started by CBSE where all the children of all the states can get good information about the other state. He also congratulated winner team on their success.

**"EMBARK ON A JOURNEY OF  
EXPERIENTIAL LEARNING" AN  
EDUCATIONAL TRIP TO SLIET  
MAY 16, 2023  
CLASS - XI- XII**

A group of students from Mother Teacher School, consisting of students from classes XI and XII recently embarked on an educational tour to the prestigious Sant Longowal Institute of Engineering and Technology (SLIET) ON 16TH MAY. The trip aimed to provide valuable exposure to the students in the field of engineering and technology. Upon arrival, the students were warmly welcomed by the faculty members who introduced them to the institute's facilities and programs. The students attended engaging lectures and workshops, gaining insights into various engineering disciplines and cutting-edge research. They also had the opportunity to interact with SLIET students and faculty, exchanging knowledge and experiences. The tour proved to be an enlightening experience, broadening the students' horizons and inspiring them to pursue careers in the field of engineering.

As per Government instructions Mother Teacher School Barnala provided free vaccination in its school campus, where DPT5, TD10 and TD16 vaccination was given to all those students, who were not vaccinated, respectively in the age group students of five, ten and sixteen years by a team of Health department Barnala, Punjab. According to the school Principal Mr. Daljeet Singh, MTS is always conscious about the health of its students, so it is always ready to provide best medical facilities to its students.

### **\*DISCOVER A DIAMOND IN YOU\* CREATIVITY AND SKILLS**

Mother Teacher Preparatory School organized an event called "Discover a Diamond in You" on 29th May 2023. The event aimed to showcase the talents and skills of the students in different fields such as dance, sports, music, yoga, art and craft. The event was inaugurated by the Principal, Daljeet Singh, who encouraged the students to participate with enthusiasm and confidence. The students competed enthusiastically. The judges were impressed by the variety and quality of the performances. They appreciated the originality and effort of the students. The students displayed their creativity and innovation in art and craft categories. The event was a great success and a memorable experience for all the participants and spectators.

### **IMPORTANCE OF MORAL VALUES**

**MS. PRERNA GARG  
CO-ORDINATOR**

Moral values play a crucial role in shaping an individual's personality and character. They are fundamental principles that guide individuals on how to behave in society and distinguish right from wrong.

Moral values help individuals make responsible decisions, develop a sense of empathy towards others, and create a positive impact on the world around them.

Moral values instill discipline, honesty, and respect in individuals, making them responsible citizens. It teaches individuals to live a life with integrity, be trustworthy, and maintain an ethical code of conduct. In addition, it helps individuals develop empathy towards others and treat everyone with kindness and compassion.

Moral values are essential in creating a harmonious society where individuals live with dignity and respect for one another. It helps maintain social order and promotes justice, equality, and fairness. It also promotes healthy relationships, fosters teamwork and cooperation, and leads to overall personal and societal growth.

In conclusion, moral values play a critical role in an individual's personal and societal development. It is important to inculcate these values in young minds.
