"Presentation on Examination Tips and Tricks"

Mother Teacher School hosted an informative session for students in grades 9 to 12 focused on examination tips and tricks. The event, held in the school auditorium, aimed to equip students with effective study strategies and techniques to enhance their performance in upcoming exams.

The session was led by Ms. Harsimran Kaur who emphasized the importance of time management, effective note-taking, and stress reduction techniques. Interactive discussions allowed students to share their concerns and learn from one another, fostering a supportive learning environment.

The educators provided practical tips, such as creating a study schedule, practicing past papers, and utilizing mnemonic devices to aid memory retention.

Feedback from attendees was overwhelmingly positive, with many expressing gratitude for the valuable insights shared. "I feel more prepared and less anxious about my exams after today's session," remarked a 10th-grade student.

The session concluded with a Q&A segment, allowing students to seek personalized advice.

"GRATITUDE FOR MY MOTHERITE GURU"

Teacher's Day was celebrated in Mother Teacher School with great enthusiasm and pomp. Students paid their respects and express gratitude and love to their teachers. Students prepared beautiful sashes, crown and wristband and they gave special regard to their teachers by writing "heartfelt messages" all these sashes, crowns and wrist and bands to show their love. They felt blessed and excited while giving their handmade things to their respected teachers. The School Principal appreciated and thanked all the teachers for their tireless efforts and hard work.

Grandparents Day Celebration

Mother Teacher School celebrated Grandparents Day with great enthusiasm, focusing on strengthening family bonds and honoring the wisdom of the elder generation. Students were encouraged to spend quality time with their grandparents at home, preparing thoughtful handmade gifts as tokens of love and appreciation. The celebration emphasized the importance of grandparents in children's lives, acknowledging the values, life lessons, and unconditional love they offer. Through this initiative, students expressed their gratitude, creating cherished memories with their grandparents. The day highlighted the school's commitment to fostering strong family relationships and instilling respect for elders in its students.

"PARENT TEACHER MEETING"

In a spirit of togetherness and shared commitment of education, Mother Teacher School Barnala, hosted a highly successful Parents Teacher Meeting on 14.09.2024. The event served as a platform for meaningful conversations, celebrative insights and a deeper understanding of young Motherites performance. School Coordinator said that these meetings allow us to work together to create supportive and nurturing environment for our students. As MTS continues to build bridges between home and school.

"GANESH CHATURTHI"

Ganesh Chaturthi, an annual Hindu festival, marks the birth of Lord Ganesha, the served deity known for his wisdom, prosperity and new beginnings. It was celebrated in Mother Teacher School to take blessing of Lord Ganesha. Students visited nearby temple to pray Lord Ganesha to make them healthy and wise. Teachers make the students learn, how they have to join their hands and cover their heads while praying to God in temple. School principal and Coordinator also paid their warm wishes to all the students on this auspicious day.

HINDI DIWAS CELEBRATION

Mother Teacher School proudly celebrated Hindi Diwas with a series of engaging competitions aimed at promoting the richness of the Hindi language. The event featured essay writing, slogan creation, and story writing contests, encouraging students to showcase their linguistic talents. The celebration commenced with an inspiring speech by Principal Mr Daljeet Rana who highlighted the importance of Hindi as a cultural and national heritage. "Language is the soul of a nation, and events like these remind us of our roots," he stated.

Students from various grades enthusiastically participated, showcasing their creativity and command of the language.

MANNERS CHARADES

Mother Teacher School hosted manners charade activity in school. It helps children to navigate their own social world and grow into healthy, happy adults. Without proper manners knowledge, children can find themselves isolated from others. Motive behind this activity was to inculcate good manners helps children to build strong relationship throughout their lives. Teachers enacted with students to make them aware about good manners.

CAREER COUNSELING SESSION

Mother Teacher School, Barnala hosted a career counseling session this week for two consecutive days aimed at guiding students on various career options based on their chosen streams: Medical, Non-Medical, Commerce, and Arts. Mr. Rishab Garg from Pinnacle Educare and Mr. Rohit Bishnoi from I Quest facilitated the session, providing insights into academic pathways and professional opportunities.

Mr. Garg emphasized the importance of academic performance for entry into top institutions like IITs and AIIMS and encouraged the students to make ample use of the two valuable years that they have at their hands.

On the other hand, Mr. Rohit Bishnoi motivated the students to find their true purpose in life and start working for it. He introduced some unconventional and growing fields to students that ignited their inquisitiveness more. The session was well-received, equipping students with essential information to make informed decisions about their future.

Workshop On Growing Up Confident

In a world where confidence plays a vital role in personal and professional success, young girls often seek ways to enhance their self esteem. Girl's empowerment involves guiding girls on various aspects of their personal and social life, including personal safety and hygiene. Empowering girls with knowledge about how they can protect themselves and maintain cleanliness is essential for their overall well-being. They were guided to be aware of their surroundings, trust their instincts, and avoid potentially dangerous situations, and educate them on safe online practices, avoiding sharing personal information, and recognizing cyberbullying or harassment. Encouraged girls to support each other and speak out when they feel unsafe.

Virtual Tour to Indian Temples on World Tourism Day

On the occasion of World Tourism Day, Mother Teacher School organized an exciting and informative virtual tour to some of India's most iconic temples. Held on September 27th, the event aimed to expose students to the rich cultural and architectural heritage of India, allowing them to experience the beauty and significance of these historic sites from the comfort of their school. The virtual tour took students on a journey to famous temples such as the Meenakshi Temple in Madurai, the Golden Temple in Amritsar, the Brihadeeswarar Temple in Thanjavur, and the Konark Sun Temple in Odisha. Through detailed video presentations and live narrations, the students learned about the history, architecture, and spiritual significance of each temple.

The tour was filled with high-quality visuals, 3D walkthroughs, and expert commentary, making the experience engaging and educational.

INTER CLASS MATH QUIZ CLASSES - I & II

Mother Teacher School celebrated National Maths Day with an exciting Inter-class Maths Quiz for 1st and 2nd-grade students. The event aimed to promote a love for Mathematics while enhancing problem-solving skills in a fun and engaging way. Students participated eagerly, showcasing their knowledge and creativity as they tackled various mathematical challenges. The quiz not only encouraged friendly competition but also helped build confidence in their mathematical abilities. The day concluded with prizes for participants, making it a memorable experience for everyone involved.

WORKSHOP ON MATH TRICKS III- VIII

A workshop on math tricks was conducted by the teachers of Mother Teacher School on 30th September. The event aimed to spark an interest in mathematics among students and equip them with quick problem-solving techniques that can be applied in day-to-day math activities. The highlight of the workshop was the demonstration of various math tricks through videos that help students solve problems faster, especially in areas like multiplication, division, and mental calculations. Teachers showed shortcuts for quick multiplication and division, methods to find square roots and cube roots effortlessly, fun puzzles and games that enhance logical thinking and numeracy skills according to the level of the students. Students actively participated in the interactive session, trying out the tricks themselves. The teachers ensured that every concept was explained in a simplified manner, making it accessible even to those who find math challenging.
