2. EFFORTS IN THE FIELD OF ENVIRONMENT

Nature is beautiful and needs to be preserved. Nature, when taken care of, provides us with everything we need but it can also express its fury if abused.

‘Environment preservation’ should be integrated with core subject’s right from preschool. When we reinforce the importance of environment preservation in children from a young age, they will be conscious of the decisions they make. The students of The Oxford School of Education had done various activities in the previous session (2023-2024) :

1. AWARENESS CAMPAIGN

2. NUKKAD NATAK

3. FORMATION OF ECO AND YOUTH CLUB

4. NCC CLEANLINESS DRIVES
